EXCHANGE SCINTILLATIONS.

"The bricklayer is a mason," exclaimed Brother Jonathan. "Yes," said Jim Hodge, "and the chap that carries the brick up to 'im is a hod fellow."—Breckenridge News.

The school-boys who had been wrestling with Latin and with his first chaw of tobacco, said he didn't want another quid none for it kept him else sepper.—Bowling Green Gazette.

A firm in Louisville advertises, in the Herald-Enterprise, "Vices" for sale. As usual Louisville prices are the lowest. Any kind of vices can be had here for nothing.—Sunday Argus.

Another minister has announced the early coming of the millennium. The good man doubtless refers to the era of peace and good will to follow the election of a Democratic President next year.—Courier Journal.

A Young Louisville bicyclist, who was standing on our streets exhibiting his peculiar vehicle to a lot of gaping young Cloverporters, was considerably taken aback when an old lady came out of a house near by with a lot of scissors for him to grind.—Breckenridge News.

Tom Morrow says that the Democratic party has been for twenty years sitting at the feet of the Republican party. Those Democrats which have been so long declaring that there was something rotten in Denmark will now say that the real cause heads Denmark mightily badly.—Bowling Green Gazette.

One Allen W. Thurman publishes a card in a Cincinnati Republican paper, giving his reason for voting for the republican against the democratic candidate for Governor. As nobody outside of this own family circle ever before heard of Mr. Allen W. Thurman, it is of very little consequence how he votes or why. It is claimed that he is a son of Hon. Allen G. Thurman. This may be true. We remember that "Gath" once mentioned to us that Senator Thurman's life had been somewhat saddened by having an idiot son. Very likely this is the fellow.—Paducah News.

It seems impossible that a remedy made of such common, simple plants as Hops, Buchu, Mistletoe, Dandelion, &c, should make so many and such great cures as Hops Bitters do; but when old and young, rich and poor, pastor and doctor, lawyer and editor, all testify to having been cured by them, you must believe and try them yourself, and doubt no longer.

The standard dollar contains 412½ grains, and the trade dollars 420 grains, and yet the standard dollars are taken at face value, while the trade dollars worth for more than 83 cents. If the trade dollars are not redeemed by the government the people will lose about \$5,400,000. Having coined and put into circulation this bastinado it is manifestly the duty of the government to redeem it and save the people from loss. Vital Question!

Ask the most eminent physician of any school, what is the best thing to do for quieting and allaying all irritation of the nerves and curing all forms of nervous debility, such as Bright's disease, diabetes, rheumatism, childlike restlessness, etc., and they will tell you unhesitatingly, "Some form of Hops!"

Ask any of all the most eminent physicians: "What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs, such as Bright's disease, diabetes, rheumatism or liability to retain urine, and all the diseases and ailments peculiar to Women?"

"And they will tell you explicitly and emphatically: 'Hops!'"

Ask the same physicians: "What is the most reliable and surest cure for all liver disease or dyspepsia: constipation, indigestion, biliousness, malingered terage, etc.?" and they will tell you: "Hops!"
